

8600-SRE

Standard Resin Thermal Transfer Ribbon

SRE stands out as the most versatile resin thermal transfer ribbon on the market. Its unique properties enable the high-speed printing of variable information and low-energy settings. From paper to PET, SRE is the ideal choice for a wide range of substrates. Also provides strong protection against scratching and smudging, ensuring clean, sharp images and text that last. 8600 will satisfy the requirements of extreme environment labeling applications.

RECOMMENDED APPLICATIONS:

RIBBON PROPERTIES:

| | |
|---------------------------------|-------------|
| Ink Formulation | Resin |
| Color | Black |
| Base Film Thickness | 4.5 µm. |
| Total Thickness | 5.8 µm. |
| Ink Transfer Temperature | 390°F/199°C |
| Print speed up to | 10 IPS |

CERTIFICATIONS:

| |
|---------------------|
| FDA |
| RoHS |
| REACH |
| UL & cUL |

Store between 5-35°C, 20-80% relative humidity, keep away from heat and direct sunlight.

The information on this data sheet was obtained in manufacturer laboratories and is subject to change without notification. Please note that measured values may vary slightly when tested in a different environment.

SUBSTRATE COMPATIBILITIES:

Paper

Economy Synthetics

Specialty Materials

Coated Tag

Fabric Care Labels

Gloss Sheets

Polyesters (Gloss Topcoat)

Polyesters (Matte Topcoat)

Polyethylene

Polyimide

Polyolefin

Polypropylene

Polystyrene

PVC Shrink Wrap

Vinyl (Topcoat)

Why choose Genuine Supplies?

Guaranteed Quality

Genuine Supplies are manufactured to strict quality standards to ensure optimum performance and user satisfaction.

Guaranteed Compatibility

From core to cut, Genuine Supplies are designed to work flawlessly through your TSC & Printronix Auto ID printer.

Consistent Performance

From the first label to the last and from one order to the next, Genuine Supplies will provide clear, crisp imaging and consistent performance.

"No Worry" Reliability

Quality control, manufacturing and component standards ensure "No Worry" reliability.
