

Declaration of Per- and Polyfluoroalkyl Substance (PFAS)

TSC is committed to protect environment and complies with applicable environmental regulations. In line with this commitment, TSC has implemented value chain due-diligence effort with its global suppliers and established material compliance procedures to track the use of Per- and polyfluoroalkyl Substance (PFAS) within our products.

Based on our production knowledge and declarations collected from the upstream supply chain, we hereby declare that our products do not contain any intentionally added PFAS chemicals, such as perfluorooctanoic acid (PFOA), Perfluorooctane sulphonic acid (PFOS), or Long-chain perfluorocarboxylic acids (LC-PFCAs).
