

Enterprise Printers Portfolio Guide

BASE MODELS

T800 Industrial Desktop

- 8ips/6ips, 203/300dpi
- 2,500 labels per day
- MTBF 8,000hrs
41 °F to 104 °F (5 °C to 40 °C)
- Enterprise in a desktop

T4000 Compact Industrial

- 10ips/7ips, 203/300dpi
- 5,000 labels per day
- MTBF 12,000hrs
32 °F to 104 °F (0 °C to 40 °C)
- Compact footprint

T6000e Mid-Range Industrial

- 14ips/12ips/6ips, 203/300/600dpi
- 10,000 labels per day
- MTBF 16,000hrs
23 °F to 104 °F (-5 °C to 40 °C)
- Versatile high res, RFID, ODV-2D

T8000 High-End Industrial

- 14ips/12ips, 203/300dpi
- 15,000 labels per day
- MTBF 20,000hrs
23 °F to 104 °F (-5 °C to 40 °C)
- Ultra reliable, durable

RFID PRINTERS

Key Features

- Standard RFID labels
- Wide range inlays, chips
- High speed encode-during-print
- EPC, high memory encoding
- Advanced encoding commands
- Automatic RFID calibration

T800 Industrial Desktop

- Partial back-up overstrike

T4000 Compact Industrial

- On-metal tags 1.2mm
- Full back-up overstrike

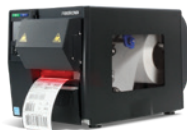

T6000e Mid-Range Industrial

- 4-inch and 6-inch models
- On-metal 2.2mm
- 4-inch includes dual RFID antenna
- Full back-up overstrike

BARCODE LABEL INSPECTION PRINTERS

Key Features

- Real time barcode verifier
- Grades 1D/2D barcodes
- Grading to ISO standards
- Verifies / validates data
- Up to 50 barcodes / labels
- Auto-detects barcodes (includes bitmap)
- Export grading reports

T6000e 4-Inch ODV-2D Mid-Range Industrial

- 4.5-inch scan width
- Works with RFID / 600dpi
- Full-backup overstrike
- Ships pre-mounted

T8000 4-Inch ODV-2D High-End Industrial

- 4.5-inch scan width
- Full-backup overstrike
- Ships pre-mounted

T8000 6-Inch ODV-2D High-End Industrial

- 6.5-inch scan width
- Full-backup overstrike
- Ships unmounted

AT-A-GLANCE

Heavy-Duty Construction and Reliability

Barcode Inspection

RFID

High Volume Printing

Remote Management

Flexible, Seamless Integration

PRINTRONIX SYSTEM ARCHITECTURE (PSA)

Key Features

- 8 competitor emulations
- Unified control panel
- PrintNet Enterprise
- SOTI Connect
- 802.11a/b/g/n/ac
- Enterprise security
- Embedded web page
