

8350-HS

Thermal Transfer Ribbon

A highly versatile formulation with superior print quality on a wide range of papers and synthetics. 8350-HS is capable of printing in a broad area of heat settings and high speeds, supporting up to 18ips with excellent edge definition and image density. Enhanced environmental, smudge and scratch resistance.

RIBBON PROPERTIES:

- Ink Formulation: Wax/Resin
- Color: Black
- Base Film Thickness: 4.8 µm.
- Total Thickness: 8.3 µm.
- Ink Transfer Temperature: 188F/87C

SUBSTRATE COMPATIBILITIES:

- Papers
- Synthetics

RECOMMENDED APPLICATIONS:

- Food & Beverage
- Retail
- Health & Beauty
- Inventory & Logistics
- Outdoor
- Pharmaceutical

CERTIFICATIONS:

- ISO
- REACH
- RoHS
- ISEGA

Why choose Genuine Supplies?

Guaranteed Quality

Genuine Supplies are manufactured to strict quality standards to ensure optimum performance and user satisfaction.

Guaranteed Compatibility

From core to cut, Genuine Supplies are designed to work flawlessly through your TSC & Printronix Auto ID printer.

Consistent Performance

From the first label to the last and from one order to the next, Genuine Supplies will provide clear, crisp imaging and consistent performance.

“No Worry” Reliability

Quality control, manufacturing and component standards ensure “No Worry” reliability.
